## Growing with Music Together

### Mixed Age Classes—Babies Through Age 6

Join a class of families having fun making music with activities that support developing musicality. Build on your child's enthusiasm for music and movement with actual music making experiences that are enjoyable for both of you. Sing, move, play rhythm instruments and learn songs from a variety of cultures with Music Together®, an internationally-acclaimed music education program for young children. Each class is a flow of songs, nursery rhymes, finger plays and instrumental jam sessions that support developing tonal and rhythmic competence, all without performance expectations. Tuition includes take home Music Together® BELLS songbook and 2 CDs. Limit 12 children per class, 10 weeks, 1 class/week.
